Policies and Guidelines

Consult the VACRAO President for additional information on the policies and guidelines.

1. Annual Meeting Registration Fees

- The invited AACRAO and SACRAO representatives at the VACRAO annual meeting will receive a complimentary registration fee. VACRAO provides free registration and lodging for one night if complimentary rooms are available; reimbursement is provided to SACRAO unless the representative is also a VACRAO member.
- VACRAO members, including officers and honorary members, and conference attendees from member institutions are expected to pay the registration fee for the annual meeting and are not eligible for a waiver of this fee.
- The Annual Meeting Program Committee may approve a waiver of the registration fee for special guests and outside speakers. Such waivers, however, must be accounted for in the annual meeting budget.
- One-day drive-in registration fees may be approved on an annual basis by the Annual Meeting Program Committee.
- Presenters who are not VACRAO members may have their registration fees waived but may be required to pay for meals and social events.

2. Expenditures for non-VACRAO Presenters at the Annual Meeting

Use of VACRAO members on the program is encouraged, and their respective institutions are expected to cover all of their travel expenses to the annual meeting. If non-VACRAO members are recruited as presenters, VACRAO does not normally cover their expenses. All exceptions must be approved in advance of any commitment by the Finance Committee.

3. Annual Meeting Room Expenses

When complimentary hotel rooms are given to VACRAO as part of the hotel contract for the annual meeting, the rooms shall be used to house AACRAO and SACRAO representatives, special guests or outside speakers, or Executive Committee members, as allocated by the Annual Meeting Program Committee. When a monetary credit is issued by the hotel in lieu of lodging, the credit must be applied to the Association's master bill to offset expenses.

4. Death of a VACRAO Member

In the case of a death of a VACRAO member, the President and Vice President for Membership and Communication should be notified. The President will send a sympathy card to the family of the deceased and submit memorial information for inclusion in the Newsletter. The Vice President for Membership and Communication shall note the member's deceased status.

In the case of a death of current VACRAO Executive Committee member or Immediate Past President, the President will survey Executive Committee members to determine appropriate action. Flowers and/or a memorial contribution to the charity of the deceased member's or family's choice (not to exceed \$100) may be paid from the Executive Committee budget.

5. Federal Tax Status

VACRAO is approved as a 501(c)(6) corporation and with a 501(a) non-profit, tax-exempt status. The IRS status determination letter is in the archives, and a copy is in Appendix L. The Association's Federal Identification Number is 54-1363652.

6. Incorporation

VACRAO is incorporated in the Commonwealth of Virginia. Martin and Raynor Attorneys, as our registered agent, process an annual verification report and renewal fee to the State Corporation Commission of the Commonwealth of Virginia. A copy of our filed Articles of Incorporation and a copy of our incorporation certificate are maintained in the VACRAO archives, and included in Appendices A and B.

7. Reimbursement Policy

The Association will reimburse members for legitimate expenses, including travel, incurred in carrying out Association business. The Association has an accountable reimbursement policy. Members should use the Commonwealth of Virginia Reimbursement guidelines for amounts for hotel, meals and incidentals. An expense voucher/reimbursement form (Appendix C) must be submitted to document all expenses that the Association is being asked to reimburse. Failure to document these expenses (receipts, copies of tickets, etc.) will disallow the Association from reimbursing the member. The Finance Committee must authorize all reimbursements beyond the State guidelines. The Executive Committee will review reimbursements to members of the Finance Committee. Mileage reimbursements follow State guidelines.

8. Workshop Payment Policy

The VACRAO executive committee has approved the following a payment policy for workshops, to address the problem of participants who do not pay in advance or at the door, resulting in the workshop committee chair or member in charge of the registrations having to spend time trying to track down the payment.

This policy should be printed on registration materials and in registration confirmations:

In lieu of having a late registration fee, all registration fees must be paid prior to attending the workshop. If a fee is not received in advance, the participant will have to make a personal payment (by personal check or cash) when checking into the workshop and then request reimbursement from their institution.

9. Finance Deadlines

- The fiscal year is January 1 to December 31.
- All accounts for the fiscal year must be submitted to the Treasurer no later than forty-five days following the conclusion of the fiscal year.
- Deposits and accounts payable for VACRAO-sponsored events (e.g., the annual meeting and workshops) must be submitted to the Treasurer no later than sixty days following the conclusion of the event.
- Requests for reimbursement received after the above deadlines will be considered contributions to the Association and will not be honored unless approved by the Finance Committee.

10. Inclement Weather Refund Policy

The VACRAO executive committee has approved the following a payment policy for workshops.

This policy should be printed on registration materials and in registration confirmations:

No refunds will be made after (date) unless the workshop is cancelled due to inclement weather. If the workshop is held and a registrant is not able to attend, no refund will be made. In case of inclement weather, the Hotline number is (number).

11. Corporate Membership

Companies who market their products and services to VACRAO are expected to join the Association as a corporate member and are invited to attend the annual meeting. Exceptions to this policy must be approved by the Executive Committee. Vendors are not allowed to exhibit or to present a session at the annual meeting unless they are a corporate member.

AACRAO is welcomed at the annual meeting and provided with a display table at no charge.

12. Logo

The official VACRAO logo is an oval medallion consisting of an outline of the Commonwealth of Virginia, a profile of a cardinal, and the lettering “VACRAO 1928”. The logo is usually printed in black, except for the cardinal, which is usually printed in red. Master copies of the logo are kept in electronic form in the archives.

- Institutions and individual members joining after the annual meeting have the yearly dues waived.

20. Liability Insurance

VACRAO has liability insurance, underwriting by Cincinnati Insurance Company, to cover indicants at workshops and meetings that could put the organization at fiscal risk. This insurance covers personal liability in the event of an injury or some other litigious event taking place in conjunction with an organization event, but

does not cover routine financial exposure (such as, for example, annual meeting penalties for failing to meet the room block) for which we maintain a financial reserve. See Appendix J for additional insurance information.

21.Vanguard Account

The Vanguard Account is VACRAO's financial reserve maintained to protect the organization in situations that could potentially drain the daily bank account. VACRAO adopted this account during a time when AACRAO was not fiscally sound. This account is traditionally left to accrue interest. Withdrawals will occur in the most extreme circumstances with approval from the Finance Committee or Executive Committee.

22.Non-Sanctioned College Fair Attendance

VACRAO organizes the Virginia Tour, a planned and efficient pattern of college fairs, which provides an opportunity for every student within the state to attend a fair in his or her region without requiring college representatives to visit every high school in the state.

VACRAO discourages member institutions from attending non-sanctioned college fairs outside of the fall or spring Virginia Tour schedule.

VACRAO defines a college fair as a renegade if it meets two criteria:

- 1) The program is not part of the Virginia Tour. It does not appear on the single invitation or in the Roadrunner Gazette. Often, non-sanctioned fairs occur during the Tour and conflict with Tour programs.
- 2) It is a traditional college fair set-up (arena style with tables or booths to distribute literature and meet with students).

VACRAO encourages alternate events designed to prepare students for the college search and admissions process. These events possibly include panels or workshops with experienced representatives presenting the broader picture of an assigned topic related to the search and admission process.

The School & College Relations Committee will consider requests for new fairs where students are not being served by the existing schedule.

Distinguished Service Award

This highly selective, "lifetime achievement" award is reserved for individuals whose service to VACRAO has been so extraordinary as to warrant special recognition while still active or for individuals retiring from or leaving the profession whose contributions warrant special respect. In order to keep this award highly selective, its criteria for nominee eligibility have been quantified. Though not to be used to determine recognition, the Awards and Resolutions Committee is guided by the following point system during its screening of nominees.

- One year of service as President..... 20 points
- Each year of service as President-Elect and Immediate Past President 15 points
- Each year of service as Vice President, Secretary, Treasurer, or Newsletter Editor..... 10 points
- Each year of service as chair of a standing or duly-appointed ad hoc committee..... 5 points
- Other annual meeting activities, committee work, or other service..... 1 to 5 points each
- Exceptional contributions to VACRAO and/or the admissions and records profession, as determined by the Awards and Resolutions Committee maximum of 50 points

Generally, individuals considered for this award should earn a minimum of 100 to 125 points of documented service to be eligible for nomination. This award may be bestowed only once on an individual. Appendix E: Auditing Guidelines

The membership of the Association is drawn from a wide variety of institutions that employ an even wider array of guidelines and regulations for the appropriate collection and expenditure of institutional financial resources. The purpose of these principles is to ensure that the audit of the Association's fiscal records is handled in a consistent manner from year to year and that the auditing principles of any one member institution or entity do not become the *de facto* principles of the Virginia Association of Collegiate Registrars and Admissions Officers.

The Nominations and Auditing Committee shall audit the fiscal records of the Association no later than June 1 following the end of the fiscal year. A status report is made to the Executive Committee and to the membership of the Virginia Association of Collegiate Registrars and Admissions Officers.

The purposes of the audit are

- to ensure that the Association's financial resources have been collected and expended in accordance with guidelines below, which have been established by the Association or its Executive Committee;
- to inform the Executive Committee as to the state of compliance with guidelines established by the Association or its Executive Committee; and
- to assure the membership that the financial resources of the Association have not been misappropriated to advise the membership and the Executive Committee of needed improvements in the handling of the Association's financial resources.

The Nominations and Auditing Committee has some latitude in conducting the annual audit. For instance, the committee may choose to audit each financial transaction or may "spot check" random transactions. If the Committee chooses to "spot check", a number of random transactions should be checked. Regardless of which method is employed, all payments to members of the Executive Committee should be audited.

The Association has adopted accountable disbursement/reimbursement policies following the Commonwealth of Virginia per diem rates or by receipts if amounts exceed state per diem rates. Most expenditures should be accompanied by a written receipt for goods or services, unless covered by the state per diem policy. In the case of reimbursing a member institution, an itemized listing of goods and services and their costs should be provided on institutional letterhead.

The Nominations and Auditing Committee and the Treasurer of the Association shall establish a mutually agreeable time and location to conduct the audit prior to June 1 following the end of the fiscal year. The Treasurer shall cooperate with the Nominations and Auditing Committee and shall be prepared for a full audit. After conducting the audit, the Nominations and Auditing Committee should prepare a preliminary written report for the Executive Committee enumerating specific transactions for which the Nominations and Auditing Committee require further explanation or documentation. In addition, advice on general improving the handling of financial resources should be included in this report.

The Executive Committee will issue a detailed written response to the preliminary report of the Nominations and Auditing Committee no later than August 1. The Nominations and Auditing Committee should issue its final report no later than October 1.

Reimbursement Policy: The Association will reimburse members for legitimate expenses, including travel, incurred in carrying out Association business. The Association has an accountable reimbursement policy. An expense voucher/reimbursement form must be submitted to document all expenses that the Association is being asked to reimburse. In the rare event that a receipt is not available, an individual may submit a detailed written explanation of an expenditure for reimbursement. Failure to document these expenses with receipts, copies of tickets, etc. will disallow the Association from reimbursing the member. The Finance Committee must authorize all reimbursements. The Executive Committee will review reimbursements to members of the Finance Committee.

Appendix G: Guidelines for Workshop Committees

The purpose of this document is to help the VACRAO Special Workshop, New Counselor Workshop, Domicile Workshop, and Support Staff Workshop Committees organize, set-up, budget, and communicate their workshops. These committees report to the Vice President for Professional Development (VPPD).

Timeline

This is a general timeline to follow when setting up a workshop and the workshop committee:

December	Committee chairs are assigned or reconfirmed by VPPD
January	Committee membership is recruited and confirmed by chairs
6-9 months prior to actual workshop:	Have a committee meeting (via conference call or emails if best), determine next workshop topic/date
3 months prior:	Have a committee meeting/conference call to set up detailed tasks and divide up responsibilities, communicate info to VACRAO, submit preliminary budget to VPPD
1 month prior:	Registration information distributed, confirm speakers, details with site, etc.
week of:	Counts for food, other details
week after program:	Thank presenters, follow-up tasks with committee, finalize budget, communicate summary to VP and newsletter
45 days after:	All budget matters are to be closed and final budget submitted to VPPD and Treasurer

- Communication to Newsletter Editor, Web Services Coordinator, and VP – Announcement, final summary report (include # of participants, # of institutions represented, conference location and dates)
- Follow-up thank you letters, finalize expenses/income, turn in final report and budget to VPPD

Budget

Preliminary and Final Budget: Set a working, preliminary budget based on numbers you're planning to have attend and submit it to the VPPD. The only income in the budget is from registration fees. The VACRAO budget has a limited amount of money allotted to the workshops. When determining expenses, be sensitive to making the workshop affordable and to keep the fee at the lowest level possible. The working budget should be maintained throughout the process, and an updated budget submitted after the event to the VPPD. When the books are closed on the workshop, a final budget is to be submitted to the VPPD and the Treasurer. See attached sample budget.

Expenses/Reimbursements: All expenses/reimbursements are to be submitted to the Treasurer using the Expense Voucher/Reimbursement Form. Also, if there is an issue of timeliness in reimbursement, please address this to the Treasurer, because checks may not be cut upon receipt. All monies submitted to the Treasurer must have appropriate correspondence that adequately specifies the workshop and registrants that the income represents.

Information to VACRAO Newsletter Editor & Web Services Coordinator

- New Counselor Workshop announcement: June newsletter
- New Counselor Workshop report: October newsletter

- Special Workshop announcement: October newsletter (if February workshop)

Workshop Payment Policy

The VACRAO executive committee has approved the following a payment policy for workshops, to address the problem of participants who do not pay in advance or at the door, and the workshop committee chair or member in charge of the registrations must spend time trying to track down the payment.

This policy should be printed on registration materials and in registration confirmations:

In lieu of having a late registration fee, all registration fees must be paid prior to attending the workshop. If a fee is not received in advance, the participant will have to make a personal payment (by personal check or cash) when checking into the workshop and then request reimbursement from their institution.

Inclement Weather Policy

The VACRAO executive committee has approved the following a payment policy for our workshops.

This policy should be printed on registration materials and in registration confirmations:

No refunds will be made after (date) unless the workshop is cancelled due to inclement weather. If the workshop is held and a registrant is not able to attend, no refund will be made. In case of inclement weather, the Hotline number is (number).

Committee Membership

Each workshop committee must consist of at least three and not more than five members. The committee chair submits the committee membership to the VPPD in January.

Annual Meeting Responsibilities

Each workshop committee is also responsible for sponsoring at least one program session at the VACRAO annual meeting. The session(s) should be planned by July and finalized in early fall.

Appendix I: Jean Rayburn Memorial Grant

Established in 1985, the Jean Rayburn Memorial Grant program offers financial support to VACRAO members for research projects designed to enhance the admissions and registrar professions. The grant was established in memory of Jean Rayburn, a former VACRAO President and Dean of Admission at the University of Virginia.

General Guidelines

- Research grants will be awarded to professional members of admissions or records offices of VACRAO member institutions who author, co-author, or sponsor projects to enhance the profession.
- Awards will not exceed \$500.
- Proposals must provide a detailed description of the proposed project.
- Research projects must be completed, documented, and sent to the Vice President of Professional Development within one year of the awarding of the grant. The research must also be submitted by the author for presentation at the next scheduled VACRAO annual meeting and/or submitted for publication in an appropriate professional journal (such as SACRAO Journal or College and University).
- Only those proposals which will add to the body of knowledge of the admissions and/or records profession will be approved. Their use must extend beyond the boundaries of one institution. Single-institution studies are acceptable, but the author must demonstrate how results may be beneficial to other institutions.

Proposals are received by the Vice President for Professional Development and approved by the Executive Committee.

Appendix J: Liability Insurance

VACRAO has a liability insurance policy, underwritten by the Cincinnati Insurance Company, to cover incidents at workshops and meetings that could put the organization at fiscal risk. This insurance covers personal liability in the event of an injury or some other litigious event taking place in conjunction with an organization event, but does not cover routine financial exposure (such as, for example, annual meeting penalties for failing to meet our room block) for which we maintain a financial reserve.

The coverage includes:

- \$2,000,000 Aggregate Limit - the total amount of coverage for a 12-month policy period. For example, if two claims were paid out at \$1,000,000 (in a 12-month policy period) the aggregate limit would be exhausted. That would not mean the Association would be left without coverage, as an additional premium could be paid to reinstate the aggregate limit. There are higher aggregate limits available, but \$2,000,000 is the standard aggregate that is carried on probably 90% of the General Liability policies issued.
- \$1,000,000 Per Occurrence - the limit on any one claim.
- \$1,000,000 Personal and Advertising Injury - protects the Association against allegations or charges of libel, slander, advertising injury, etc.
- \$2,000,000 Products and Completed Operations - a standard policy coverage, it protects the Association against products claims. For instance if a pen or some other item with a VACRAO logo caused bodily injury or property damage to another there would be coverage. Completed operations means this policy covers operations that occur while the policy is in force, forever. For example, if someone gets sick at an event and the sickness worsens over time, the Association would be covered even if the claim was not made until years later.
- \$100,000 Fire Legal Liability - a standard policy coverage in Virginia and applies to situations where the Association might rent office space and be held liable for a fire in that space. (This does not apply to current operations, but it is an automatic coverage and there is no premium credit to delete it.)
- \$5,000 Per Person Medical Payments Coverage - a good faith payout for first aid coverage. The coverage will pay this amount, no questions asked, as long as the Association verifies that the injury happened at a sponsored function (whether VACRAO is at fault or liable for the injuries). If the Association is at fault or liable for the injuries, the entire \$1,000,000 per occurrence limit is available for medical payments.

Appendix L: Membership Database

The VACRAO database, available through the Executive Committee Login on the VACRAO web page, contains the complete membership listings, and is used to generate the membership directory files, annual invoices, mailing labels, and e-mail contact lists.

Generating Invoices

- FTP a copy of the database from the server to a local computer. The file is located at `www\Execcom\dev\vacraonew.dmb`.
- Open the database using MS Access, click on **Reports**, and then open the *rptInvoices* report in design view.
 - Update the due date and contact information as needed.
- Save and close the edited report.
- From the main **Reports** menu, select *Associate*, *Corporate*, or *Voting*, depending on the invoices needed.
- Print the invoices.
- FTP the database back to the server, to save the new invoice information.
- Single invoices can be generated using the *rptSingleInvoice* report.
- With each invoice being mailed, a cover sheet should be included that describes the benefits of membership and how to make changes on the invoice.

Updating the Database

- Log into the Executive Committee Secure Area of the VACRAO web page.
- Select **Institutions**.
- Select the desired institution, or click on **Add Institution** at the bottom of the page to add a new institution.
 - Each institution should have a status (*A* for active or *I* for inactive), a type (*A* for associate, *V* for voting, or *C* for corporate), and a web address.
- Record payment of dues by clicking on **Dues Paid: Add New**. Enter the membership year, date paid, and amount, then click on **Submit**. Be sure that the institution's status is *A* (for active).
 - To reactive an inactive institution, change the status from *I* to *A*.
- Within the institution, click on the desired individual member or **Add New** to add a new member.
 - Each active or new member should have a **Status** of *Active*.
 - Current members can be disassociated from an institution by changing their status from *Active* to *Inactive*. When deactivating a member who is flagged as being a contact, delete the contact flag before making the member inactive.
 - Each member should have a **Job Type**, chosen from the list on the screen. Corporate members should have a **Job Type** of *CC*.
 - Each individual member should have a mailing address. Be sure to enter mailing addresses using U.S. Postal Service standards.
- Each institution has a number of affiliated contacts.
 - All membership types—*Associate*, *Corporate*, and *Voting*—must have an *Institutional* contact; this is the individual to whom the annual dues invoice is sent. Thus, the institutional contact must have a mailing address.
 - Each *Associate* and *Voting* institution must have at least an *Institutional* contact and a *Virginia Tour* contact.
 - Each *Voting* member (and Virginia-located *Associate* member) may also designate an *Admission* and *Registrar* contact.
 - The same individual may serve as multiple contacts.
 - To add a contact to an individual, click on **Institutional Contact: Add New** at the bottom of the individual's page and enter the appropriate contact letter.
 - To delete a contact flag from an individual, click on **Delete** next to the contact flag at the bottom of the individual's page.
 - *Note:* When deactivating a member who is flagged as being a contact, delete the contact flags before making the member inactive.

Database Maintenance

- FTP a copy of the database from the server to a local computer.
- Run the *Find duplicates for qryGetContacts* query to identify any institutions that have multiple people designated as the same type of contact and make corrections online.
- Run the *Find duplicates for tblMembers* and *Find duplicates for tblMembers1* queries to determine if more than one person with the same name is affiliated with the same institution. (This can happen if a member is made inactive, and then later entered as a new member for that same institution instead of just being made active again.) Make corrections in Access by deleting one of the entries out of the **tblMembers** table.
- Open the **tblMembers** table in Access and sort by membership type to look for any data entry errors in membership type, and make corrections if needed.
- At the end of each membership cycle, identify the institutions that have not paid dues for the current or previous year and mark them as Inactive. The individual members affiliated with that institution do not need to be deactivated.
- After changes are made in the downloaded copy of the database using Access, the corrected database must be uploaded back to the server.

Preparing Directory Files

- From the **Reports** menu in Access, select the desired report:
 - *Dir-Memb-Assoc* – Associate members
 - *Dir-Memb-Corp* – Corporate members
 - *Dir-Memb-Voting* – Voting members
 - *Dir-Memb-Members* – All individuals
- Save each report as an MS Word document. Make minor edits to add headers and footers, pagination, and to correct column and page breaks.
- Upload the Word documents to the web server, using the same names and locations as the previous files. Update the date references on the web page.
- The directory files should be

Preparing Online Files

- E-mail listings, mailing lists, and data for preparing address labels can be generated in Access from the **Queries** menu:
 - *ActiveMembers(Admissions)* – Admissions contacts
 - *Active Members(All)* – All individual members
 - *Active Members(All_No_Corporate)* – All individual members, **except** Corporate members
 - *ActiveMembers(Associate)* – Associate members
 - *ActiveMembers(Corporate)* – Corporate members
 - *ActiveMembers(Honorary)* – Honorary members
 - *ActiveMembers(InstContact)* – Institutional contacts
 - *ActiveMembers(Registrar)* – Registrar contacts
 - *ActiveMembers(VATour)* – Virginia Tour contacts
 - *ActiveMembers(Voting)* – Voting members
- Periodically, copies of these files should be saved as Excel files and posted on the main Executive Committee Secure Area web page (in the /Execcomm/files folder) for use by executive committee members.
